### **BOARD OF TRUSTEES**

**Section 1. General Powers.** The affairs of the Corporation shall be managed by a Board of Trustees, which shall be composed of seven (7) members of the Corporation. An outgoing president shall remain on the Board of Trustees for up to one year and there will be eight Board members up to a year period.

**Section 2. Tenure, Qualification and Methods of Election.** The Board of Trustees shall be elected from those individuals who are current members of the Corporation. The first Board of Trustees shall serve until the annual meeting of members of the Corporation to be held in 1965 and until their successors are elected and qualified. Thereafter, the election of Trustees shall be held every year at the regular annual meeting of the members of the Corporation held during said year, and until their successors are elected and qualified. In the event of failure to hold an election of the Trustees as required herein by these By-Laws, election of the Trustees may be held at a special meeting of the members called for that purpose.

The recommendation of the Board of Trustees is for staggering of terms of office of Board members, and that the outgoing president serve a one (1) year term on the Board after succeeded by new President. Board members can identify their terms to help implement this recommendation.

**Section 3. Vacancies.** Except as otherwise provided by law, Vacancies in the Board of Trustees, whether caused by resignation, death or for any reason, the Board shall replace said member by asking the candidate who received the next highest number of votes at the previous annual election to serve the balance of the unexpired term of his predecessor and until his successor is elected and qualified. If more than one candidate tied for the next highest number of votes at the previous election, the Board shall select one by a majority vote.

In the event there are no former Board candidates available to the remaining term(s) that have been vacated, the Board shall fill this vacancy by requesting a volunteer from the members of the Corporation. A member of the Corporation thus selected to fill the open vacancy shall hold the office for the unexpired term of his predecessor, and until his successor is elected and qualified. If more than one volunteer offers to fill the vacant Board position, then the Board will decide based on majority vote of the Board.

**Section 4. Regular Meetings.** A regular annual meeting of the Board of Trustees shall be held without other notice than this By-Law, immediately after and at the same place as the annual meeting of members. The Board of Trustees may conduct the meeting with attendance of some or all of the Trustees able to appear via video conferencing or other electronic means.

**Section 5. Special Meetings.** Special meetings of the Board of Trustees may be called by or at the request of the President or by three (3) of the trustees. Notice of any special meeting of the Board of Trustees shall be given at least two (2) days prior to the meeting by written notice delivered personally or sent by mail or telegram or other electronic means such as email to each trustee at his address or email address as shown by the records of the Corporation as well as to the general membership. If mailed, such notice shall be deemed to be delivered, when deposited in the United States mail in a sealed envelope so addressed, with postage thereon prepaid. If notice be given by telegram or other electronic means such as email, such notice shall be deemed to be delivered when the telegram or email is delivered to the telegraph company or received by email recipient. Any trustee may waive notice of any meeting, either before or after the holding of the said meeting. The attendance of a trustee at any meeting shall constitute a waiver of notice of such meeting.

**Section 6. Quorum.** A majority of the Board of Trustees shall constitute a quorum for the transaction of business at any meeting of the Board. Every act or decision made or done by a majority of the Trustees present at the meeting duly held at which a quorum is present, shall be regarded as the act of the Board.

- a) Appoint and remove at its discretion, all officers, agents and employees of the Corporation, and to prescribe their duties and fix their compensation.
- b) Make such expenditures as the Board deems expedient. With the exception of normal and recurring operating expenses as outlined in the Annual Operating Budgets of Shangri-La Shores, Inc., and the exception of funds needed to restore and/or replace existing common area elements and Water System components that have experienced normal wear and tear, deterioration and/or functional obsolescence, the Shangri-La Shores, Inc. Board of Trustees shall not incur any expense over five thousand dollars (\$5,000.00) without prior approval of the Shangri-La Shores, Inc. members.

Notwithstanding the foregoing, whenever possible the Board shall solicit input and/or comments via email using the distribution list the Board maintains from members (or other method of communication deemed appropriate) on all anticipated expenditures over five thousand (\$5,000.00) dollars including those expenditures specifically not requiring member approval.

For expenditures requiring approval, authorization shall be deemed a majority vote of the members present (in person or by proxy) at the Annual Meeting of Shangri-La Shores, Inc. or at a Special Meeting called for that purpose.

Recognizing that time constraints and other factors could arise that make the above authorization and communication requirements impractical or needing urgent action to protect interests of Shangri-La Shores, Inc., the Board has the right to act when situations arise that the majority of the Board members deem to be an emergency. Any such action shall be placed on the Agenda for explanation and update at the next general meeting.

- c) Collect dues and assessments to be paid by the members of the Corporation. Also collect the dues and assessments of those non-members with land parcels outside of Shangri-La Shores Inc. who have received water shares (rights) only.
- d) Manage and conduct the affairs and business of the Corporation and to maintain the Common Areas, including but not limited to the Corporation's water system and generally do and perform or cause to be done and performed any and every act which the Corporation may lawfully do and perform, subject to the limitations and power of the Board specifically set forth in these By Laws.
- e) To enforce the Corporation RULES AND REGULATIONS and RESTRICTIONS AND LIMITATIONS consistent with the Laws, Articles, Declarations and these By-Laws as the Board deems necessary.

**Section 9. Limitation Upon the Power and Authority of the Board of Trustees.** Notwithstanding the power and authority of the Board of Trustees as provided elsewhere in these By-Laws, the Board of Trustees shall not have authority to sell, convey, encumber, mortgage, hypothecate, transfer, assign, or otherwise dispose of any interest in the real property of the Corporation without the affirmative consent of two-thirds of all of the members of the Corporation. Notwithstanding the other provisions of these By-Laws, the affirmative consent to the member must be obtained in writing and must be two-thirds of the entire membership, not of a quorum at a regular or special

meeting. 'Real property of the corporation' excludes residential lots within the Shangri-La Shores Plat that the Corporation has acquired through means such as, but not limited to, satisfaction of liens or foreclosure for dues and assessments levied by the Corporation. Such Corporation owned residential lots shall not be sold, conveyed, encumbered, mortgaged, hypothecated, transferred, assigned or otherwise disposed of without the affirmative consent of a simple majority of the members of the Corporation present in person or by proxy at an annual or special meeting.

**Section 10. Indemnification of Directors, Trustees, Officers.** The Corporation may, to the maximum extent permitted by Washington Corporations Code, reimburse, indemnify and hold harmless each present and future director, trustee, or officer of the Corporation, and each person who, at the request of the Corporation, acts as a director, trustee or officer in which the Corporation has an interest from and against all loss, cost, liability and expense which may be imposed upon or reasonably incurred by them, including reasonable settlement payments, in connection with any claim, action, suit or proceeding or threat thereof, made or instituted, in which they may be involved or be made a party by reason of their being or having been a director, trustee, or officer of the Corporation or by reason or any action alleged to have been taken or omitted by them in such capacity.

Other provisions of these By-Laws that may be inconsistent with these notices and voting provisions shall remain in full force and effect for all purposes other than those that effect the real property of the Corporation.

**Section 1. Water System.** The Board of Trustees shall manage the Corporation's water system ("Water System") in the best interest of the members of the Corporation and the Authorized Customers of the Water System in accordance with all applicable laws and regulations and with the policies and procedures adopted and updated by the Board from time to time for the maintenance and ongoing operations of the Water System ("Water Service Policies"). The authority of the Board of Trustees to manage the Water System shall include, but not be limited to adopting and updating the Water Service Policies and the establishing of a schedule of regular fees and charges for water services as well as special surcharges for major water system repairs, upgrades and capital improvements payable by the members of the Corporation and all other authorized customers of the Water System ("Water System Customers"). Any special surcharge for major repairs, upgrades or capital improvements to the Water System shall be established by resolution of the Board of Trustees of Shangri-La Shores, Inc. only after a presentation of a capital improvement plan, budget and surcharge schedule to the members of Shangri-La Shores, Inc. at an annual or special meeting of the members for the members' review and comment. Shangri La Shores Inc. may provide water to two classes of users. Class 1 is the members/owners of lots in Shangri La Shores Inc. Class 1 has every right under the Declarations, Articles, and By Laws. Class 2 is providing water to those not living within Shangri La Shores Inc. Division 1 or Division 2. This class is merely a customer of the Water System being provided by Shangri La Shores Inc. and would have the right to receive water pursuant to the Declaration, Articles, and By Laws but no other rights of a member.

**Section 2. Water Service.** A water service in the Water System is a right to receive water service from the Water System together with related obligations ("Water Service") that is assigned to a particular lot or parcel of real property located in the service area of the Water System approved by the State and County Health Departments. A Water Service shall be automatically transferred upon the transfer of ownership of the particular property to which the Water Service is assigned in accordance with the Water Service Policies.

**Section 3. Surrendering Water Service.** The holder of any Water Service shall surrender a particular Water Service to the Corporation if the holder combines two or more lots or parcels of real property with Water Service into fewer legally established lots or parcels (the intent is to have only one Water Service assigned to any one lot or parcel of real property). In addition, a subdivision of any Shangri-La Shores Inc. lot or external land parcel that has been granted water rights, will not allow that owner any increased water shares/rights. Such surrender of a Water Service shall provide no relief from the obligation of the holder to pay any charges, fees, costs, penalties or other amounts payable to the Corporation by the holder pursuant to the Water Service Policies ("Water Charges") with respect to the lot or parcel that surrenders a Water Service. **Rules, Regulations, and Restrictions for**  
**Short-Term Renters**

Our community takes great pride in what we have to offer homeowners and guests and is maintained and governed by a Homeowners Association. Use of community amenities is a privilege for all members and their guests, and compliance with the rules of the Shangri-La Shores Community and Island County is required to ensure enjoyment and safety of everyone.

*Please note: Failure to comply with these rules, restrictions, and restrictions may result in the renter being asked to leave the short-term rental or forfeit future use privileges. In the event of damage to community property, the owner and/or renter will be responsible for replacing or repairing damaged property at the discretion of the HOA Board.*

- 1) Quiet Hours:** Shangri-La Shares is a residential community. The Island County Public Disturbance Noise Control Ordinance (9.60.010 – 9.60.050) lays out the regulations to allow “enjoyment of property, sleep and repose, and quality of the environment” and establishes the hours between 10 PM and 7 AM as the time frame for minimizing excessive noise. Please be respectful of our neighbors and their pets and refrain from loud or boisterous conduct particularly during these quiet hours.
  
- 2) Walking on the Beach** - In order to respect neighboring communities, Shangri-La Shores asks guests and short-term renters to only walk on the beach to the south of the pier (when facing the water, to the right side.)
  
- 3) Community Common Areas** –
  - Pier/Float:** Short-term renters are not allowed to access the boat launch ramp, pier, float, and Tract A.
  
  - Picnic Area:** Short-term renters are not allowed to use the picnic area at the beach.
  
  - Park:** Swings and a play area provide room for group activities. Remember this is in a residential area and respect the noise levels of those around you. Be sure to clean up and take away all the garbage and recycling from the park area.
  
- 4) Dogs:** If your owner allows pets: All dogs must be kept under full control and on a leash not more than 8 feet in length, particularly in the community common areas. Dogs need to be leashed on the beach when other people and/or pets are present. Pet waste must be bagged and placed into your trash – do not leave pet waste on the beach or anywhere within the community.

It is unlawful to allow a dog to suffer or be permitted to habitually howl, yelp, bark, or make similar noises, to annoy or disturb the neighborhood . Community complaints about your pets

- 7) **Fireworks:** Currently July 4 is the only day of the year Island County allows fireworks. Shooting fireworks on the county roads is not permitted.
